THOMAS G. BRUTON
CLERK, U.S. DISTRICT COURT

Dear Clerk,

20CV3097

Attached is an explanation from USPS regarding this matter.

Would this suffice as an explanation as to what happened to this package?

It was delivered to the Dirkson building, on 5/13/20. It was rerouted for an unknown reason as the destination on the package was the Dirkson building. However, it was not scanned in any additional place besides the Dirkson building, and it was not returned to sender. It is presumed to be lost at this point and not in USPS custody.

I would like the 5/11/20 filing date per post office original mailing date to be reflected.

Please advise and thank you,
Szilvia

Hello,

Thanks, I will try to find out what happened to the delivery and some documentation of it before I file then.

Best,
Szilvia

Good morning,

Yes, the reason is, from our records we have not received the filing on 5/11/20. The post office did not state your letter was delivered to us. We cannot arbitrarily give you a backdated file date without the document from the post office based on your emailed request.

Hello,

I wanted to file it on 5/11/20 due to the statute of limitations. Is there a reason that you cannot use the postmark date?

Thank you in advance,

Szilvia

Hello,

I cannot use the 5/11/2020 date. If I take this complaint today and set up a new case I'd have to use 6/4/2020 as the filed date. Would you like me to file the complaint for 6/4/2020/

Hello,

Thank you so much for checking. I used the address information on the website, thus, I do not understand why it was rerouted. Can you please file this case with the 5/11/20 date, now or with a comment pertaining to the filing date?

Thank you,

Szilvia

Subject: Fwd: Pro Se Filing in New Case

Dear Clerk,

This new filing was mailed with **Priority Mail** on **5/11/2020** with tracking number **9405503699300372715693**.

Tracking from USPS indicated that it was forwarded on May 13th, but it does not state where to?

USPS did not have any other return or forwarding postage information.

I am attaching the original filing for this case, and I would like to keep the 5/11/20 date for filing in case the original filing cannot be found?
